Community Council Minutes December 11, 2013
Academy Park Elementary

Present: Melanie Proctor, Jeannine Nielsen, Brian Misinale, Cindy Martin, Richard Lahr, Jean Gowans

Agenda Items:

Cold Weather is keeping kids inside: discussed activities and ideas to use during inside recesses

School Leadership Team concerned over increase in tardies: discussed a new program being developed by the SST committee to assist and encourage students with excessive tardies to come to school on time. The program is entitled Safe Landing and will track and reward students who are on time for the entire week. This is targeting students who have more than 18 tardies in the past three months. Twenty-one students will be on the program with others being referred as needed.

Mid-year Rule Review: The mid-year rule review for all students will be done over the school wide WatchStream program, and then reinforced by the teachers. The student council is currently putting together a video clip to show the entire studentbody on January 21st. Teachers will do non-examples and students will model correct behavior.

School Plan for Bully Prevention: The written school plan for Bully prevention was reviewed. We also discussed the "Don't Stand By—Be an Ally program being presented in February and the use of the Buddy Box by students.

PTA Christmas Event will be December 12th from 6:00 – 7:30

Funds have been set aside for the **new electronic marquee** and we are in the process of following the District procedures to receive bids.
