

## **ELEMENTARY PLANNING DAY TIME CHANGE (EARLY OUT FRIDAYS)**

Granite School District was recently audited by the Utah State School Board. Based on this audit, we have need to make some adjustments to our Elementary Schools Early-Out Planning Day schedule to ensure we have an adequate amount of instructional time.

Starting with second semester (January 17<sup>th</sup>), on the early-out planning days only, we will be adding 5 minutes of instructional time to our half day Kindergarten classes, and 10 minutes of instructional time to Grades One through Six and the All Day Kindergarten classes.

This schedule adjustment will ONLY impact Early-Out Fridays and 2 other dates — Thursday, February 16, 2017 and Wednesday, March 22, 2017 — through the remainder of the school year. The regular schedule remains unchanged. Please see below for the detailed schedule changes for our school.
