

Jackling Elementary Dress Code

There is a real and reasonable connection between proper dress and grooming and the successful operation of the school with respect to discipline as well as student achievement. It is with this end in mind that Jackling Elementary School has adopted the following dress policy:

Students should wear clothing that is appropriate for school. Student dress should be modest, clean, and suitable for the various learning activities going on at school. As students dress each morning, particular attention should be paid to safety, comfort and weather.

If a student's clothing creates a substantial disruption for the student or for the school, parents will be contacted and the student will be required to change into more appropriate attire. School administration will determine if attire is inappropriate.

Students will not be allowed to wear clothes that are mutilated, cut off or immodest such as short shorts or miniskirts (measured by finger-tip length down the leg), and bare midriffs (measured by arms up in the air), halter-tops or tank tops. When leggings or tights are worn under shorts or skirts, shorts and skirts must still meet dress code length. Leggings and tights are not to be worn without shorts or skirts.

Shirts without sleeves must cover all of the student's chest and stomach and fit tightly under the arm.

Hats, scarves, babushkas, hoods, and other headwear are not to be worn in the building.

In the interest of good hygiene, proper footwear (shoes and socks) should be worn at all times. Flip-flops and sandals should not be worn while engaging in recess or P.E. activities.

Gang-related colors, clothing and paraphernalia will not be allowed in school. Clothing that promotes or celebrates violence will not be allowed. Students cannot have or wear:

- Gang Clothing
- Long Belts
- Bandanas
- Extremely Baggy Clothes
- Clothes of the Same Color
- Gang Signs

Clothing that advertises cigarettes, alcohol or drugs is prohibited by Granite District policy.

Clothing should be free from anything that is vulgar or that degrades or demeans others. Clothing and accessories with "Haters" or other offensive words or terms is unacceptable. School administration will determine if attire is inappropriate or offensive.

For health or safety reasons, students may be required to wear certain types of clothing in connection with specialized activities (e.g. field trips).

Adults who volunteer at the school or participate in activities on school grounds should also dress in accordance with the dress code policy.
