

Help Wanted!

Our students are wonderful but could use some supervision during lunch recess (it gets a little crazy out there as you can see). Even great kids like ours need an adult nearby to pick them up when they fall, to listen when they are stressed-out, and to prevent a number of possible problems. We need a couple of adults to work from 11:45 until 1:15 daily to create trusting relationships with our students during lunch recess. Please spread the word. Call our office or email if you want to be part of our team. 385-646-4924, tcrcroft@graniteschools.org, or lsturner@graniteschools.org.
