

## **Community Council Meeting Minutes**

**May 4, 2015**

People in Attendance: Janel Ruzzi, Sarah Timpson, Christine Christensen, Alisha Kerby, Becki Pulley, Clover Meaders, Brianna Jackman, Chelsea Walker and Gabriel Ruzzi (ALL PRESENT)

Start Time: 5:00pm

New Business:

Elections for open board positions were discussed. There will be 2 board positions available in September for the 2015-2017 terms. (Sarah Timpson's and Chelsea Walker's positions). Candidacy can be declared in September. Information about declaring candidacy will be handed out at registration as well as on "Back to School" night. (Registration will be August 6<sup>th</sup> and 7<sup>th</sup>.) It was suggested to have "Back to School" night the Monday before school begins (on a Wednesday) and to include food in order to make it a "family" event and boost attendance. Nachos were the suggested food. This will need to be presented to the faculty for their input.

Principal's Report:

Mrs. Christensen has sent in the Trustlands Plan, and expected the community council to get emails to sign electronically, but there has been a glitch in the new system and emails did not go out. The district has approved our plan. It is unknown at this time if electronic signatures will be necessary from the council members.

Mrs. Christensen updated the council on the faculty's opinion on digital homework that was discussed with the council last month. It was suggested that if SpellingCity.com goes well this coming year, that a school license be purchased the following year. It was also suggested to be able to enter reading minutes on-line.

Reading camp will be 5 days in a row, probably the first week of August. It was suggested that "Save the Date" cards be sent home with identified students that would benefit from this service.

Meeting adjourned at 5:45pm.
