

Arcadia After School Choir Parent Permission Letter 2022-2023

November 9, 2022

Dear Parent/Guardian:

I'm pleased to announce that we are offering the opportunity for students to participate in the Arcadia After School Choir. The first rehearsal will be on November 29, 2022. The choir will meet for 45 minutes on Tuesdays and Thursdays from 3:30 – 4:15 p.m. Mrs. Caryn Johnson has graciously agreed to be our choir director. If you would like to volunteer for the choir, please let me know. We would love all the help we can get!

Teachers conducted a student interest survey in their classes and your child expressed interest in being in the choir. We are accepting all interested students; however, parents of students who ride the bus need to agree to pick up their child at 4:15 p.m. as there is no after school transportation. Students who normally walk home will be encouraged to walk home together.

If you give your child permission to join the choir, please sign below and send this form back to your child's teacher who will pass it on to me. I will then finalize the list and give it to Mrs. Johnson. At the first rehearsal, Mrs. Johnson will take down your child's t-shirt size and I will purchase a choir t-shirt for your child to wear at future performances. Please note that the commitment is from November to May. The final performance will be at the 5th Grade Promotion Ceremony at the end of the year.

Music is so important, and we want as many students as possible to be exposed to various types of music throughout their elementary experience. The aim of the choir is to create a love of singing and music for participants.

I look forward to hearing the choir rehearse and perform this year. Please let me know if you have any questions about this after school opportunity.

Sincerely,

Matthew Graham
Principal
Arcadia Elementary

I agree to have my child participate in the Arcadia After School Choir this year.
