Recess

Something great: Students do a great job returning equipment to the cart before lining up. The play space is always left clean and ready for the next grade!

Something to practice: Reminding students of games they know to support students initiating game play at recess!

Class Game Time

The focus for this month was: **Blacktop Games, Making a Guess**

Next month our focus will be: Weather depending, if the weather is bad (**Indoor games in the classroom**)

I will return the week of 3/4 -3/7

Thank you so much for some fabulous Class Game Times this month!

Shoutouts!

S/O Ms. White for leading a game of the Big Cheese for 4th grade!

S/O Ms. Peterson, Mr. Morse, and Ms. Morgan for playing Uno Four Corners with their classes. Your students loved playing the game with you all!

S/O to Ms. Jessa for bringing out jump ropes to first grade recess. The students love playing jumping rope.

Junior Coach Program

Shout out to Emma Spencer: Junior Coach of the Month! The Recess Team wanted to highlight Emma because of her outstanding leadership during first grade recess. She initiates tag games with students and helps ensure they are practicing kindness and safety. If you see Emma, give her a high five!

Game Library

Each game you have learned is linked to the game instructions.
