

# Playground Post

**Arcadia Elementary**  
**Monthly Newsletter: March**

## Recess

**Something great:** The equipment cart will now be available to students all day.

Please make sure students in the morning/afternoon are returning equipment before lining up.

**Something to practice:** Students should not be kicking balls near the school.

They end up on the roof and are hard to get down!

## Class Game Time

The focus for this month was: **Working with a partner in Blocker Ball**

Next month our focus will be: **Tag Games on the Field**

I will return the week of 4/8-4/11

Thank you so much for some fabulous Class Game Times this month!

## Shoutouts!

S/O Ms. White's class and Ms. Donnelly's class for playing Blocker Ball together. Great job working together as partners!

S/O Mr. Christofferson's class for playing Basketball Scramble. The sportsmanship was so impressive and the best I had seen all week!

S/O Mr. Morse for playing Blocker Ball with your students at recess after learning the game in Class Game Time!

## Junior Coach Program

The Junior Coaches will now be responsible for taking out the equipment cart in the morning and bringing it back in. If you see a Junior Coach, tell them Thank You! for taking on the responsibility to support play all day.

## Game Library

Each game you have learned is linked to the game instructions.
