---	-------------------------------------	--------------

•
Notes:
•

Item 7: Open Forum	Speakers:	Time:
<ul style="list-style-type: none"> • STEM High School • School photos - class photos as compilation of individual photos rather than group photo <p>Notes:</p> <ul style="list-style-type: none"> • Jana Rupp (visitor) shared an interest in a district STEM high school. A suggestion was made to model ideas after the AMES high school in Murray, Utah. Granger High school would be an ideal location because Westlake Jr. High STEM feeds into Granger High. A reference was made about the required accreditation to become a STEM school. A request was made that a survey be sent out to Armstrong parents regarding interest in a STEM high school. • Class photos- traditional group or composite with names? A suggestion was made to poll the parents. • A proposal was made that parents/guardians can call ahead and ask that a student be ready to check out in the office. This is a student safety issue and district policy that the parent/guardian must present ID before the student is called out of class. • 6th grade reconfiguration: West Lake Jr. High will be rebuilt. Armstrong patrons have expressed a desire that 6th grade remain at Armstrong. Reconfiguration is a 5 step process. • Little Neil launch will be Friday, April 16, 12:00 p.m. in Tremonton, Utah 		

Item:	Motions:	Seconds:	Approved by:
Approve Mar. minutes	Charles Campbell	Lianna Black	Unanimous
Motion to adjourn	Charles Campbell	Trisha Martinez	Unanimous
