Hello,

Thank you so much for helping us with our school project! Little Amelia left Neil Armstrong Academy on November 23, 2021. She will travel to 33 different locations across all 7 continents. People like you are helping us to learn about the world around us through her experiences. Before she arrives at your location, we will need your mailing address and a good email address to use for communication.

When Amelia arrives at your location, you will need to follow these steps:

1. **Please email us** to let us know that she has arrived. Send the email to your cooperating teacher from our school and copy [jsorensen@graniteschools.org](mailto:jsorensen@graniteschools.org)
2. **Take a picture.** Please find a location that represents your location such as a famous structure, landmark, celebration, wildlife, or natural wonder. Take a picture of Amelia at that location and send it to us in an email.
3. **Optional.** Feel free to take additional videos/ photos and reach out to your cooperating teacher with some fun facts about your location. You could even do a video call or social media post. We are hoping to learn as much as we can, so any extra information is fantastic! Any videos and pictures may be uploaded to the following google drive folder:  
<https://drive.google.com/drive/folders/1dG6GKce0mDGphAMeDmp5-2hvJBfo-7lT?usp=sharing>
4. **Get the next Address.** Once we receive your email, you will get a reply with the next address to which Amelia will be traveling.
5. **Mail her to the next location.** Please use whatever postal service you have available to mail Amelia to the next location.
6. **Get reimbursed.** We would like to pay any postage costs. We can pay you via VENMO, Apple Pay, PayPal, and we are willing to explore other options if those do not work for you. Please send us the amount we owe you for postage, and we will happily reimburse the cost. (We will need a picture of the receipt.)
7. **Optional:** Please feel free to follow the rest of the trip on our webpage at:

Please email [jsorensen@graniteschools.org](mailto:jsorensen@graniteschools.org) if you have any questions or run into any problems. Thank you SO much for your help!
