

Community council meeting Bacchus Elementary

March 14, 2019 @ 4:15p

1. Call to order/pledge
2. Attendees
  - a. Rebecca Monson (principal), Marcia Hatch (parent/faculty), Zach Christensen (faculty), Heather Farrimond (parent), Debbie Murdock (parent)
3. Approval of minutes
4. Old Business
5. Principal's report
  - a. Land Trust progress report- Mrs Monson is waiting for the formal report to be released and will bring it to the next meeting.
  - b. Grade Configuration-The original plan was to take the proposal to move the 6<sup>th</sup> grade to the Jr. High to the parents and community. Now the school board is thinking of making the decision instead. We are still going to wait and see who will be making this decision before bringing Ben Horsely in to talk about the pros and cons with the parents and community if they are the ones making the choice.
  - c. FTE impact on LandTrust plan for coming year- After looking at projected number of students for 2019-2020 school year, and what the needs of our students might be, it has been determined there won't be enough LandTrust money to help pay for another teacher and keep the other programs and new technologies we need for our school. We will plan to use the money for more para aides/trained aides, new and updated technology for class rooms like screen beam and chromebooks.
  - d. The school fundraiser was able to reach it's goal, this will help with field trips and positive rewards for the students.
6. Upcoming events
  - a. April 4<sup>th</sup> -Art night at 6p,
  - b. Rise testing will be the last week of April
7. Time and date of next meeting
