2<sup>nd</sup> Quarter Plan: We have most forms returned. We will work this week to get remaining forms from parents. Teachers will then have time to re-evaluate their current plan and adjust as needed. Depending on the number of students returning to face to face learning students may need to be moved around to keep classes sizes equal.
  2. 6<sup>th</sup> grade reconfiguration: Becki will attend an information meeting presented by Human Resources to learn about the teacher process in reconfiguration. The Jr High is working on timelines for how they plan to adjust everything with 6<sup>th</sup> graders going there next year, they are hoping to have it by the end of the month.

With Covid restrictions the 5<sup>th</sup> graders may not be able to have a field trip to the Jr high and have a tour this year. If that happens, there is the possibility of teams coming from the Jr. high to give students info about going there.
