THIS YEAR OUR
THEME IS...

**I WILL
CHANGE
THE WORLD,
BY...**

What is Reflections?

Reflections is an art program that encourages students to explore the world of arts! The program highlights and gives recognition to students across the U.S. for their artistic efforts!

What happens after I submit my artwork?

Once a student has submitted their work of art, it will be judged and placed. Once it has been placed, the artwork has the potential to move on to the district level, then state level, and finally the national level!

How will my artwork be judged?

Interpretation: How closely the art piece relates to the theme.

Creativity: How creative and original the art work is to the theme.

Technique: The level of skill demonstrated in the art category.
