KUED Literacy Night!
December 5, 2019
6:00-7:00 p.m.

Social and Emotional Learning Tips For Home: Gratitude

This month is a great time to focus on gratitude. Often times, when we are mindful of the things that we are grateful for, it can have a positive impact on how we think, act, and feel.

Take some time with your child to think about, identify, and discuss the various things that they are thankful for; people, places, or things. Discuss how the feeling of gratitude can be communicated and expressed to those who we are grateful and thankful for. Learning to be mindful of things we are grateful for can have a positive influence on our attitudes.

Attendance: Strong and consistent attendance is very important in facilitating your child's success. **Please ensure your child is at school every day.** **Please communicate with the main office regarding ANY missed days or potential missed days.** **If you have any questions about attendance and/or Granite's attendance policy please ask!**

Community Council has an opening!

If interested, please see the front office for details.

- November 27-29 – No School!

Winter Weather

The winter weather is quickly approaching! It is wonderful to see so many students dressed in warm clothing as the temperature is changing quickly. The Community Council has determined that students will be indoors when the temperature outside is below 20 degrees or extreme snow or rain is falling. We use the Weather Bug website to determine what the temperature is outside considering the wind chill factor. In the morning, students in grades 2-6 will go to the gym, and students in grades K and 1 will go to the library beginning at 8:10 a.m.

COMMUNITY CENTER

Classes Offered:

- ESL
- Citizenship
- Parent Portal
- Together Time
