

Beehive Elementary Summer Information

Summer Food Services Program

- Food services will continue to operate as it did for 4th quarter. Breakfast and lunch will be combined for as long as the federal waivers continue. See the attachment at the end of this document for school sites.
- Food Bus Routes will not be operating during the summer.
- Food service will be from **11:00-12:00 Monday through Friday** – There will be no food service on May 25, 2020 or July 24, 2020 (Holidays). Operation will continue through August 7, 2020. Everything is driven by participation rates, so sites are subject to change and notice will be provided to schools and patrons as soon as possible.
- Food services will not be operating in parks this year with the possible exception of three park sites: Fassio Farm Park, Hunter Park and Taylorsville Park.

Report Cards

- Report cards will be mailed to homes after June 11, 2020.
- If you address & phone number has changed, please call the office to schedule an appointment to come and update your information.

Tentative Back To School Registration Date

- Tuesday, August 4th – Due to pandemic circumstances, more information will come as the date gets closer and we have a better idea on district/state guidelines.

Student Placement for 2020-2021 School Year:

- Students will find out who their teacher is on our tentative Registration Day on Aug. 4th.

Possible Dismissal and Distance Learning Scenarios for 1st Quarter 2020-2021

- Granite School District seeks guidance from the Utah State Board of Education, the Utah Department of Health, and Governor Herbert regarding the reopening of schools. Potential scenarios will be fluid and could include the following:
 - Soft school dismissal and distance learning similar to what was experienced during quarter 4 of the 2019-2021 school year,
 - A blend of distance learning and return to face-to face learning at the school building
 - Or a return to the school building with a distance learning option.
 - Schools will share more information and guidance when it is available.
