Summary of previous meeting is outlined in the September minutes located on the school's website under community council in archived minutes

Summary report of how LAND trust funds were used last year

- Land Trust report outlined in document
- Hired 3 paraprofessionals to help with tier 2 small group
- 3 PLC assistants to cover classrooms once a week for teachers to collaborate, analyze data, and support student learning
- Funds allocated to purchase literacy instructional support for teachers to use in the classroom
 - Printables, small group supplies, programs, things to use to keep the teachers going during the tier 2 block

Report on last year's implementation and success

- Reading Acadience Screener 3 times through the year (beginning, middle, and end of year)
 - Information helped track students who are reading on, below, or well below grade level and provided information how to best support students in the tier 2 intervention groups
- Results are as follows:
 - **Beginning of year:**
 - At or above benchmark – 17%
 - Benchmark – 15%
 - Below benchmark – 15%
 - Well below benchmark-54%
 - **Middle of year:**
 - At or above benchmark – 18%
 - Benchmark – 17%
 - Below benchmark – 15%
 - Well below benchmark-51%
 - **End of year:**
 - At or above benchmark – 22%
 - Benchmark – 16%
 - Below benchmark – 15%
 - Well below benchmark-48%

- School goal in literacy was 60% to make typical to above typical growth as measured by DIBELS Pathways of Progress report
- Combined average end of year Pathways for Progress for K-5th grades was **62%**
- Due to the POP data increase school goal was increased this year as well
- Goal for 2022-2023 school year is 66% of students will reach their POP goal
- Will continue to tailor Tier 2 support based on beginning of year DIBELS scores, then adjust these supports based upon data gathered throughout the school year
- Math goal for 2021-22 school year was to demonstrate a 3% increase on their math and science RISE proficiency in comparison to the 2020-21 school year
- Progress on this goal will be measured by comparing 2021-22 to 2020-21 RISE math proficiency percentages
 - **2020-2021**
 - Math Overall
 - 19.5% proficiency
 - 3rd – 32%, 4th – 17%, 5th – 18%
 - Science Overall
 - 23.4% proficiency
 - 4th – 19%, 5th – 24%
 - **2021-2022**
 - Math Overall
 - 25.5% proficiency
 - 3rd – 32%, 4th – 27%, 5th – 16%
 - Science Overall
 - 16.9% proficiency
 - 4th – 15%, 5th – 19%
- Beat math goal of increasing overall proficiency from 19.5% to 25.5%
- Increase of 6%
- Science did decrease from year before
- Will continue to monitor and adjust science instruction utilizing updated core and resources to help support student learning of various science concepts
- Will provide 4th and 5th grade students with CFA opportunities using the RISE platform
- Will give students exposure to multistep science questions and provide teachers with feedback on how students are progressing in their science learning
