## **CONGRATULATIONS TO MRS. ROPER!**

She has been awarded the Excel Award from our Granite Education Foundation. Nine teachers and one administrator are chosen each year to receive this prestigious award from the Granite Education Foundation.

We are ready to start our 4<sup>th</sup> and final quarter for the 2020-2021 school year. It is exciting that a lot of you are coming back to us face to face. We almost have our entire student body back for in person learning. Our 4<sup>th</sup> quarter begins Monday, April 5<sup>th</sup>. Please check with your child's teacher as to where your student should line up to come into the building.

### **Masks**

Masks are still required to be worn in the building and outside while on campus. This includes any of our parents who are visiting our campus while dropping off or picking up students.

### **Playground**

Our playgrounds have opened back up! Students can now play on our small and large playground equipment.

### **Water Bottles**

Students should still bring a water bottle. Hallway drinking fountains are still closed, so ensuring your student has a water bottle each day is important. Water bottles can be refilled from the sinks in the classroom.

### **P.T.A. PPE Drive**

Thank you to everyone who donated to the P.T.A. personal protective equipment drive. Our teachers have the supplies needed to maintain a safe and healthy classroom.
