2. Council Business Items:
- Council needed a Secretary Kelly LaMont nominated herself. Whitney Afoa was the first to approve
  then Jannie Cook second the approve. Yay Me!
- The Bennion Community Council final roster was handed out but there was a small changed to it. Mr. Horton said Maria Barrios
  Could no longer be on the council due to personal conflicts. Mr. Horton is also still trying to get a hold of Laura Richins to make
  sure she can still serve on the council.
- We then went through the C.C handbook pages 1, 3-5 to make sure everyone was educated with the
  reasons and responsibilities of a school community council.
- Mr. Horton then talked to us about the possible 9th grade changes and Jr. High Athletics. There are only three High schools in Grantie
  School District that have not changed over to the 9th graders being part of the high schools yet, (Skyline, Olympus, Taylorsville).
  Which one possibly for Jr. High Athletics would be intramural based.

3. School Updates/Business: Turn time over to Mr. Horton:
- Sage Results were reviewed Bennion Jr High’s school overall grade went to a B and the test results
  showed Bennion either stayed the same or improved their scores in each category.
- Mr. Horton then talked about the R & R day and the benefits of rewarding the students
- We looked over the SSAP Plan and see attachment

4. Open for other concerns or comments:
Jannie mentioned she really benefited from Trainer/help that was offered during S.E.P’s and suggested it be advertise
more for parents to know it’s there.
- We also were asked and talked about the online survey that students brought home to have their
  parent stake and the hopeful outcome to improve Bennion.
- Discussed moving the next meeting to January 27, 2015
Jannie motioned and Whitney second. —All agreed

Adjourn: 4:15pm
