

Do you want to learn more about Chinese Culture?

Come join the Zhōngguó wénhuà jùlèbù (Chinese Cultural Club). This club studies and participates in Traditional Chinese Cultural activities and performances.

Some activities may include:

- Chinese Lanterns
- Chinese Zodiac
- Calligraphy (Chinese writing)
- Architecture
- Martial Arts from China (i.e. introductions to Kung Fu, Tai Chi, Wing Chun, etc.)
- Chinese Handkerchief Dance
- Chinese Ribbon Dance
- Chinese Fan Dance
- Chinese Lion Dance
- Chinese Dragon Dance
- Community Service

We will be meeting on Thursdays after school from 2:45-3:45 in room 200 (the dance room) starting October 7. You do NOT need to be studying Chinese to join, but you MUST have permission to be there.

First, get a teacher to stamp the teacher portion below. If you have a Chinese class, this must be stamped by Mrs. Qin. Otherwise, any teacher that can vouch for you can stamp the permission form. This indicates that you are responsible and respectful in school and we can expect respect for the culture and each other from you.

Next, your parents need to sign that they are aware of you joining the club and they will ensure you have a way to get home afterward.

Please remove this portion and turn it in to Mrs. Qin, Mr. Marcrum, or the Counseling Center
