JUNIOR HIGH

May 2023

Principal's Message •

The temperature is rising and students are seeing the light at the end of the tunnel. We are gearing up for RISE testing and preparing for all of the end of year activities we have planned to send our students off in style. Students will be coming home with RISE goal setting worksheets on Thursday. We are hopeful that you will engage with them on their goals and encourage them to do their best. Ultimately, RISE is a no-lose situation for students. Their grades cannot be negatively affected, but they can certainly improve if students do well. We are so proud of the effort they have put in this year and we look forward to seeing how well they do.

Social Emotional Learning

May's theme for social emotional learning is Conflict Resolution. Conflict is a natural part of life, just like the ups and downs in weather. We may have conflict with friends, family, parents, teachers, in our country, with bosses, peers, and within ourselves. Conflict happens because we all have different ideas, needs, interests, and wishes and when these are different from others it can result in a mental struggle, causing anger and stress. We can face conflict by first figuring out our needs and where the conflict started. Second, be brave and talk to the person you're in conflict with (not to other people). Third, speak assertively and don't argue. Use your communication skills. Fourth, really listen. You want your needs to be heard and so does the person you're in conflict with. Lastly, follow through with what you said you would do to solve the conflict.

PBIS

„Paws for Play“ a day at the movie to see Super Mario Bros was a hit! Congrats to the 700 students who qualified based on 3rd term behavior and being to class on time. Term 4 we will be having „pizza in the park“ out in the field where students get pizza and soda while participating in activities including a staff/student kickball game. To earn a spot, you need to have no more than 3 tardies, no more than 2 minor write ups, and no office referrals. The PBIS committee is also doing a fun summer bucket list activity during lunch May 1st – May 5th come visit us!
