Dear Bonneville Patrons,

At Bonneville Jr. we aim to help those less fortunate in our community during the holiday season and we do this with our Viking tree. This year we have 27 children from the community we are trying to help. You can help by picking up an ornament, that tells of a need or want of a child, from our tree in the main office. We will also be collecting money during advisory until Thursday December 13th. You can also donate on the Bonneville web store. All money and gifts need to be returned by Friday December 14th at 3:00 pm to ensure that gifts will be distributed in time for the holidays.

We thank you in advance for your support of our Viking tree and wish you a happy holiday season.

Counseling Corner:

Happy December! The school year is passing by quickly and it is almost time for Second Semester to start! Counselors will be working on completing second semester schedules and balancing classes during the month of December and early January. Online class change sign-ups for second semester will be January 16th through 18th.

We have a Utah Scholars presentation on January 9th. We will need 5-9 parents to help present information on Utah Scholars to our 8th grade students in their math classes. Training will be provided. If you are able to help, or would like more information, please contact the counseling center at 385-646-5126.

December's Skill of the Month is Suicide Prevention. This is a topic that for many may be difficult to talk about. If you have any concerns for your student, or yourself, please contact the suicide prevention line at 800-273-8255 or use the Safe UT app. The school counselors are here to contact as well to help with resources and crisis counseling.

For other updates, resources, etc., please visit the Bonneville Jr. High Counseling website at bonnevillecounseling.weebly.com

Happy Holidays!
