<b>Utah Netsmatz Assembly Digital safety</b>	Informing council that we are having the assembly to try to educate the student body on how to be digitally safe. This is also part of our Bullying, Suicide and Coping prevention plan. Was mentioned that maybe see if the state would have something available for Viking Night to help educate parents on these issues.	
<b>Bonneville Video</b>	Andrea Davis and other reported the video has been finished and is being finalized by the district. Thanks for the district's support and especially to Andrea for her efforts on getting this going. Would like to use the video with the Viking Night and at the elementaries when we introduce registration to the students.
