<b>Principal Update:</b>	<p>FTE numbers look good. Final enrollment count 480. Will be looking into extra periods for second semester. When decided we will look at the budget further.</p> <p>Staff will be voting on possibly changing our schedule at the end of the month. Some staff members want to go back to a 7-period schedule. Many issues positive and negative both ways. Many staff members want to see their students every day not just math and English. Churchill and Wasatch are both on the 7-period schedule with the 6th grade students and are doing well.</p> <p>Council talked about many things. The council expressed interest in supporting the teachers vote. Will not take final stance until they see the teachers vote.</p> <p>The Lion King Jr. is ready and starting tonight and runs thru the weekend. Looking Great.</p>	

<p>Love Your Neighborhood sign.</p> <p>Viking Night January 9.</p>	<p>We have a field trip to Cottonwood to watch their play. Exciting.</p> <p>Take one and support your neighborhood school.</p> <p>Come join. Great event for our current students and for our incoming sixth grade and fifth grade students. Get to see the school.</p>
