Budget update:	<p>Last year we spent all the money. Bought extra Chromebooks to get ready for this year. Worked out great.</p> <p>FTE at 585 which is just where we need to be. Landtrust will be able to fund extra periods as planned. Will need to lower AVID travel and do online conference. Stipend for teachers participating online was recommended.</p> <p>Desire to continue AVID strategies in the school.</p> <p>Clarke: Input on intramurals. Let them to move forward as normal as possible. 25% of capacity rule. Community will respond. Would like to host all games if</p>	

	<p>needed. Give out tickets or other strategies. Our gym is big enough.</p> <p>Rocky: Soccer has started intramural this week. Going okay.</p>	
6th Grade	<p>Highlight 6th grade. New 6th grade math teacher Amanda Johnson is amazing.</p> <p>Maybe create a 6th grade newsletter. Communication to parents a must.</p>	
Viking Night	<p>Would like to have it. Think outside the box. Maybe a longer time from and restrict/coordinate attendance somehow. Alpha like we have done before.</p> <p>Thinking more of how we can do this. Discuss more of how we can.. Rocky follow-up with PTA</p>	
Track and DJ Christensen	<p>Would like to thank him somehow publicly.</p> <p>Maybe an event with a PE class. Invite people. Not too big but powerful.</p>
