I am confident that together we will have a productive and enriching 2022-2023 school year!

As I begin my second year at Bonneville, I am reminded of the strength and support in this community. I have witnessed time and time again the compassion and support for what we are trying to build and achieve. I am beyond lucky to have such outstanding students and families at Bonneville. Our school will be stronger with your continued involvement. I invite you to take advantage of the opportunities to support students' learning and experiences. I look forward to building relationships and working with you this academic year.
