Citizen Participation		
Minutes for 9.12.2022	Natalie moved to approve, Beth 2nd.	
Boundary Discussion	<p>-There are 9 main schools that are being looked at. There are approximately 3300 students in these schools. With all 9 open, it is an average of 366 students/school. Closing 3 schools will get to 550/school. There is an updated summary chart that will be coming out soon. It is linked on granite home page. In November the recommendation will happen. The final decision will happen in December. If Lincoln or Millcreek close, Bonneville will increase in numbers.</p> <p>-Bonneville & Cottonwood expressed that higher numbers for Bonneville will help Cottonwood as well. Steve expressed that strengthening elementary schools will help strengthen secondary schools.</p> <p>-Concern for DLI Chinese program - proposal is for Oakwood to carry DLI Chinese to at least carry through students that are in program currently. The community will decide if it will carry on long term. The District will help with additional resources to carry out the program.</p> <p>-There have been patrons that have gone to Canyons for DLI Chinese that said they will come back to Oakwood for the program.</p> <p>-The increased numbers at Oakwood will help the non-DLI students as well.</p> <p>-Question on rating of buildings - construction expenses have increased dramatically and time is going to increase on reconstruction and remodeling of buildings. Spring Lane is ranked as an 8, which means that it would need to be replaced relatively soon.</p> <p>-District predicts that in the future, more closures and boundary adjustments will need to happen.</p>	

	<ul style="list-style-type: none"> - There are no future plans for the Spring Lane building currently. In the past, closed buildings have been used for other programs, demolish and use the green space for the community or sell to city or developers. 	
Review Safe Technology and Digital Citizenship	December 5th Netsmart assembly is scheduled.	
Reminder to watch SCC Training Videos	Links are on agenda.	Watch videos
Enrollment	<p>Oct 1st numbers came in at 578, total number is 602 with special classes. General FTE is not given for special classes.</p> <p>Our projected numbers were 615.</p> <p>Projected numbers were off across the District.</p> <p>District is helping out financially due to the miscalculations.</p>	
Panorama Survey	<ul style="list-style-type: none"> - Bonneville is a pilot school. The information this year is to sit with this data and look as a general picture. Data helps us to know how to help kids. Our data shows that connection is at 83%, but self efficacy is a place of growth. -Information can be broken down by grade level. -Data has been pre-set by Panorama, so interpretation needs to be considered by some other factors. -Gives schools good data to know how to support kids. 	
Goals for 2022-2023	-meeting goals with school culture and giving 90% of students tested on the Reading Growth Measures currently.	
Counselor Update	<ul style="list-style-type: none"> -CCRP's for 8th graders are happening right now. - Class selection has been moved up. Cottonwood will be at Bonneville in December for 8th graders. Bonneville going to elementary schools and 6th and 7th grade during January. - Viking Tree tradition will be continuing, not sure what it will look like yet. Information will be forthcoming. 	Refer families for Viking Tree
Intramurals/Activities	<ul style="list-style-type: none"> -Intramural soccer ends, competition is ending next week. Has not been a winning season, but they have had fun. -basketball starting after Halloween -There is an after school activity every day between Chess, sports, debate and MESA. -Connection Week is happening next week, headed by our social worker, Saydi Shumway. -Fall play is this weekend. -Fall music concert is next Wednesday at 6pm 	

Principal's update	<p>-Viking visits to every feeder elementary school are complete. Student leadership went and did structured activities with 4th and 5th graders. They went well.</p> <p>-Reading recognition: on grade level or above grade level students got a certificate and a full size candy bar. Recognition will continue at mid year and will add kids for growth.</p> <p>-Fall festival Wed Nov 16th. Inviting feeder elementary schools. Will have talent show, food trucks, live band, book fair, bounce houses.</p> <p>-Governor visit. Message with social media and impacts on mental health. Bonneville teachers do a good job of keeping phones away during class time.</p>	
Other	<p>Junior High kids coming to HS activities. Last year was free, are being charged this year. Cottonwood is going to try it at a basketball game but worried about lack of adult supervision.</p>
