Update on fall Musical	The musical will now be moved to the spring with the advanced drama production switched to the fall. This will hopefully allow for a full production of the musical in the spring.	
Intramurals	First quarter intramural had been put on hold. The council would like to see the intramurals move forward. Therefore the soccer intramurals will start at the beginning of October and we	

	<p>will see what the interest will be.</p> <p>Basketball is set to start as usual. Still deciding if the competitive part will move forward.</p>	
Principal's update:	<p>School is going great. Kids have been amazing in the hallways and in the classroom. Cleaning procedures are going very well.</p> <p>Approximately 75% face to face and 25% distance learning.</p> <p>Online learners are logging in but still not as much as we would like.</p> <p>Enrollment count is approximately 605. Which means we will need to fund some of the extra periods as planned. October 1st final count is made and we will get our count.</p> <p>For the most part we are seeing the normal amount of students.</p> <p>Teachers are working double time. Managing the online learning and face to face is a challenge especially for the teachers that have different preparations/classes and/or classes that are built for hands on work and collaboration.</p>
