

Granite School District Community Mobile App

from Focus School Software

Focus is simply the BEST student and business solution for K-12+

Focus School Software is pleased to offer the **Granite Schools Community App**. The App, which is available from both the Google Play and Apple App stores, provides administrators, teachers, students, and parents a streamlined way to access student information.

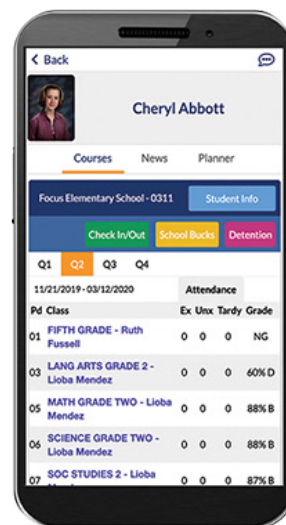

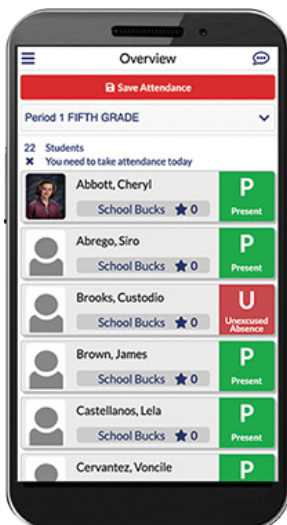

Parents today want simple and easy access to their child's grades, schedule, attendance, and school information. The **Granite Schools Community App** is an easy to use mobile app allowing parents and students to view their student information

The **Mobile App** gives Parents, Students, Teachers, and Community Members the benefits of:

- Real-time grades
- Teacher, school, and district announcements
- Teacher & district resources
- Teacher communication

The Community App also allows districts to quickly convey school information, such as school closings in the event of an emergency, reminders about school events, and help to reach out to parents that can't always make it to campus.

In addition to students and parents, the Granite Schools Community App provides administrators and teachers with the ability to take attendance, view student information, and more.

Granite School District Community Mobile App

from Focus School Software

From grades and attendance, to school events and social media, the Community App allows users to gain instant access to the information they want, when and where they want it.

Student information at
your fingertips,
from anywhere, at anytime!
