| Goals for 2023-2024 | <ol style="list-style-type: none"> 1. Improve Reading Proficiency 2. Improve Student Sense of Belonging. Measured by Panorama Data. 3. Increase Faculty Peer Observation (once per quarter 75% of teachers will observe a peer). First quarter it was 100%. | |
| Panorama Survey | <p>Preliminary Results - administered in Sept. 96% participation from students. We are focussed on relationships with teachers and students.</p> <p>Next Steps- Working on connections for students with adults.</p> <p>Data is used for student support. Admin, counselors and grade level leaders have access to data to help identify students that need extra support.</p> <p>Survey is given at the beginning, middle and end of year.</p> | |
| Counselor Update | This week is Utah College Application Week (UCAW)- advisory and lunch activities related to college. | |

| | | |
|------------------------|--|--|
