School School Year

School Community Councils and Charter Trust Land Councils have been established to:

Involve parents in decision making at the school level

Improve the education of students

Prudently expend School LAND Trust Program money for student improvement through between parents, school employees and the local school board

Increase public awareness of the school trust lands and funds (53G-7-1202)

One way to ensure that parents have a voice in the School LAND Trust Process is through your council signature. This form is an opportunity for you to indicate your involvement in the process of both implementing the Current School Plan and preparing the Upcoming School Plan. This is also an opportunity to share any feedback you have to your local board. Your local board will review this form when the School Plan is approved.

Please print your name, sign, and indicate your involvement in implementing the Current School LAND Trust Plan and preparing the Upcoming School LAND Trust Plan, indicate your position (parent, school employee, principal), and the date.
