    - On target to meet overall school goal
      - Benchmark data
4. New business  
  
Land Trust Plan for 2018-2019
  - LandTrust has been approved and in the process
5. Follow up business
  - School Improvement Process
  - Construction
    - On schedule at have the office move over on April 23
  - Tardies
  - Homework discussion
    - Most effective if it is content driven-
    - Students will no longer be graded on spelling
  - 6<sup>th</sup> grade realignment

- All High Schools except Taylorsville are in the process to reconfiguring the grades
  - The district will come and talk to parents if there is interest in looking to reconfigure. Eisenhower was not interested
  - Options are move 9th grade to high school, or 6th to junior high.
  - Looking to get more information from the school board and have someone come in for our May meeting or September meeting to get information on how this will effect
  - Math aides for higher grades
  - Looking in to find high school students to come and tutor upper grades in math
6. PTA report
- Fundraiser Went well. We did not get as much money as last year but still did really well. The money will be used for teacher grants, money went to drama, playground carts/ balls for each grade level
  - White Ribbon Week – April 9-13 looking for parents to sign up to talk to kids during lunch time. Cyber bullying assembly for 5/6 graders
  - Thursday is maturation - Looking to possibly move maturation earlier in the year next year
  - Playground Equipment - each grade will get a cart for next year
  - Skate night is April 19th at Classic Fun Center- free admission - skate rental is free
  - Teacher Appreciation week is April 23-27th
7. Other Items
- May 24th is field day and BBQ

Next meeting May 3 @ 7:30 am

- Comments on report cards - is there a requirement to write comments from teachers?
