3. Principal's Reports

- Budget is right on track and we may be within \$1,000.00
- We are getting new carpet
- We have big items that need replacing before they redo our Formica in the classrooms
- MPG growth- looks great overall as a whole school
- We are getting TSSA- (teacher student success act) money but are waiting to hear from the board to know what that will look like. We have not received direction with how the district wants to move forward. It will be about the same amount of money we receive from LandTrust.
- Money allocation is open right now and getting feedback from teachers, community councils, etc.
- We have to have submitted plan by June 7th
