

Calvin Smith Mitigating Measures for COVID-19

2021-2022

We are following the direction of the Health Department as it is listed in state law. View the full state health recommendations for schools:

<https://coronavirus.utah.gov/education>

School Schedule
<ul style="list-style-type: none">• Regular classroom instruction will take place on a Monday through Friday schedule.• (School hours – 8:35-3:20 M-TH, 8:35-1:15 on Fridays)• Meetings such as IEPs, 504s, SEPs, etc. may be in-person or virtual based on preference and availability.
Monitoring Symptoms
<ul style="list-style-type: none">• Students/staff who are demonstrating ANY symptom of COVID-19 must stay home.• Keep contact numbers current as parents will be contacted by the school demonstrating symptoms.• Case counts will be monitored by the county health department dashboard.• Students or staff that are exposed to COVID-19 will work with the health department regarding quarantine. Those who are exposed will NOT be quarantined if: they had a confirmed case of COVID-19 in the past 90 days, have been fully vaccinated, the positive individual and the exposed individual were both wearing masks at the time of exposure, or if non-immunized they wear a mask for 10 days following exposure.• Our goal is to keep children healthy while attending school in-person.
Masks
<ul style="list-style-type: none">• Per health department recommendations, masks are STRONGLY RECOMMENDED for all students and staff while indoors, but NOT required.• Masks will be available to students and staff upon request.• Harassment in any form, directed either at those who wear face coverings or those who choose not to, will not be tolerated.
Enhanced Environment Hygiene and Safety
<ul style="list-style-type: none">• Schools will remain mindful of cleanliness to the highest degree possible.• Hospital grade air filtration and circulation (up to four times per hour) will continue.• Cleaning and disinfecting of high touch surfaces will occur throughout the day.• Hand sanitizer will be available.
Social Distancing
<ul style="list-style-type: none">• In all areas of our school, we will remain mindful of safe spacing to the highest degree possible.• Cohorts of students will be maintained to the greatest extent possible in all areas of the school to ensure student safety.• Entrance/Exits – students will line up on the blue and yellow lines to maintain social distancing

- Hallways – Students will stay to the right when walking in the halls and will use the blue and yellow lines to stay socially distances.
- Classrooms – Students will sit in cohorts with an assigned seat to limit exposure. Students will sanitize often.
- Lunchroom – Students will sit in cohorts with an assigned seat to limit exposure. Every other seat will be empty and students will sanitize often.
- Playground – One upper grade and one lower grade will play at a designated time in their designated area. Students will sanitize after recess.
- Group gathering areas – Large group activities will be limited indoors. Assemblies or other gatherings will be divided into two groups, so that students can space out as much as possible. Large group activities will be held outdoors as much as possible.
