

# CHARGER CHATTER

December 4, 2017

Issue No. 5

## ENROLLMENT PERIOD FOR GRANITE SCHOOL DISTRICT!

Early open enrollment begins December 1, 2017 and goes until February 16, 2018. If your 8th grader is planning to attend Skyline and does not live in Skyline's boundary, you must complete the form at the Skyline office. You'll need to bring \$5 to submit with the application. Also, if you have a 5th grader who would like to attend Churchill and doesn't live in the boundary, they must fill out a form for Churchill. Kids who are coming back to Churchill don't need to fill out a form every year.

## REFLECTIONS WINNERS

We'd like to congratulate the following students whose Reflections entries won at the Skyline council level and will be going on to compete at the Region 5 level:

Arianna Schumacker  
Marlo Harmer  
Eva Iverson  
Owen Larson  
Audrey Hall  
Indy DeBirk  
Madelynn Tolley  
Julianne Williams

## PTSA BOARD PRESIDENT MESSAGE

Thanks to all who got out to vote during the election last month! Whether for or against the bond, our voices are important. The bond did pass with 56% voting in favor of the bond. The future students of Skyline have a lot to look forward to. Watch for upcoming community meetings where we are able to give input on the design of the building. Thanks to all who helped with the campaign.

We are looking forward to the Souper Bowl of Caring and hope that you will consider donating to this worthy cause. We'll have some fun events to get the kids excited for the food drive.

As we end this year, it is already time to be looking forward to next year. Our PTSA is still looking for a President Elect--next year's president. If you love meeting new people and being involved at the school, this would be a great fit for you! I spend about 10-20 hours a month, most of it at home on the phone and computer. It has been a great way to feel a part of my son's education. Let me know if I can answer questions! I'd love to chat!

Have a happy holiday season!

Sonja Blodgett  
President, PTSA

The PTSA is excited to partner with the SBOs and Granite Education Foundation to collect cans and money for the Utah Food Bank who uses the food for kids in the Granite School district, to fill food pantries and mobile pantries at the schools. Lily Hall and Natalie Pope won turkeys in the random drawings. Thanks to Dan's for again donating two turkeys.

## NOVEMBER LOST AND FOUND

At the end of October, we donated things left in the lost and found to charity. When the lost and found gets to this size, we donate it again. Mr. LeRoy takes pictures to post on Facebook. We make announcements asking kids to come check the lost and found.
