

CHARGER CHATTER

January 8, 2018

Issue No. 6

Churchill Jr. High SRI Score Tracking 2017-2018

The goal is to have the number in parenthesis go up for the first two columns and down for the last two columns.

The students are making great progress so far this year. There is one more testing window in March, so please keep encouraging your student(s) to read every day. The Lexile score marking in the library is coming along, so students should be able to select reading level appropriate books that interest them much easier when they visit the library.

Grade	Advanced	Proficient	Strategic at Risk	Intensive at Risk
6 th	33	14 (47)	34	19 (53)

Churchill on Parade

On Wednesday, January 24th from 5:30-7pm, Churchill is hosting an open house for prospective students and their families. Tell your friends and neighbors and bring your 5th graders (or transfer students) to come and see the fun things we do at Churchill. Several groups will perform and teachers and administrators will be on hand to answer questions. This is always a fun night, so don't miss it.

PTSA BOARD PRESIDENT MESSAGE

Happy New Year! As we approach the 2nd semester, I am amazed at how time flies! In the next few weeks, the kids will come home with registration cards for next year. Don't forget to put in out of boundary permits if you live out of boundaries and are sending your child to Skyline next year.

And spread the news about Churchill on Parade, the school's open house for incoming students and families considering Churchill. It will be on January 24th from 5:30-7pm.

We are so thankful for the great teacher dinner put on by Meghan Castleton and Robynn Whiting. The teachers loved the gifts and lunch-- thanks so much to all who contributed.

The quest still continues for a president for next year's PTSA. If you have any desire to help out with PTSA next year, in any capacity, please contact me! The PTSA plays an important role at the school and relies on great volunteers. Thanks so much to all of you who support us in any way!

Souper Bowl of Caring

The SBOs are collecting money and non-perishable foods for the Utah Food Bank. All the food stays in food pantries at Granite District schools. The competition goes on until February 2nd. This week is the last week for the 2nd period class contest. The class with the most donations will get a cool prize! After that, the competition will be between grades. Please support our SBOs in this great effort.

Reflections Winners

Congratulations to these students who went on to win at the Region 5 level:

Marlo Harmer (Film)
Eva Iversen (Literature)
Owen Larson (Music)

Their entries will go on to the State competition. Way to go Chargers!
