Issue No. 8

PTSA BOARD PRESIDENT MESSAGE

As we wind down at the end of the school year, I have reflected on the changes we are seeing in our school community. First and foremost, this year was notable as we welcomed the 6th graders and said goodbye to the 9th graders. Many were doubtful this would be good, but I have heard lots of positive feedback and I know the kids have loved the great opportunities that they have had at the junior high level.

The passing of the bond was a big deal this year, and our kids will see the benefits of that work as their high school gets rebuilt. Please continue to stay involved in the rebuilding process--become educated on the plans and make your views known. My understanding is that the district is taking public comment until September on the new building. So let your voices be heard!

I'm so happy for Churchill PTSA, for next year's president, Allison Armstrong will do great things! She has a child coming into the 6th grade and she has already been a force as we have put together next year's board and plan. She has two children and has been actively involved in their lives and is actively involved in her church and the community.

I have so appreciated the chance to get to meet so many of you and am inspired by your dedication to your children and to their education. Thank you to all who have done so much to make my job so easy! Have a beautiful summer--hopefully we will meet up again soon at Skyline!

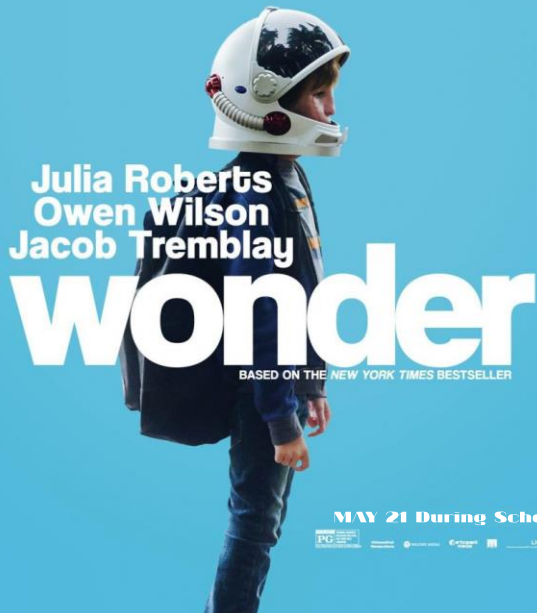

Sonja Blodgett

END OF YEAR MOVIE REWARD!

Take a break from class and watch *Wonder*
Monday May 21, 2018

Eligibility Requirements:

- No more than three tardies between April 16-May 18

Physics Lagoon Day

Attention all 8th graders! On May 18th, you are invited to Physics Day at Lagoon. Season pass holders pay only \$5 to ride the bus, everyone else pays \$34 cash or check made payable to Churchill Jr. High (bring it into the office). Bring a lunch or some lunch money and enjoy the day doing experiments and enjoy the park. Watch for a permission slip from Mr. LeStarge with more info on departure and return times.

8th grade promotion party

8th graders--Don't miss out on a fun water and pizza party to celebrate your completion of junior high! It will be Wednesday, May 23rd from 6-8pm here at Churchill. Make sure you and your friends are there for this super fun night!

Please check your fines!!

All 4th quarter elective class fees have been charged and library fines are posted. Please pay these as soon as possible. Yearbooks won't be given out until fines are paid.
