

Churchill and Snowbird Ski team

Churchill Junior High and Snowbird Ski team are excited to announce a partnership to promote the success of our skiers both in competitive skiing and academics!

The elements of this program include:

- Students will have home release 4th period during second and third quarter so they can attend trainings.
- Students will have a directed studies class on Tuesday during 4th period to help them stay on top of missing work due to competitions.
- Counselors will work with individual students to try to maximize their schedules for obtaining both core credit and still being able to get elective choices.
- Students will be recognized, as with Churchill's other athletes, for their success in competitions.
- Students will have a room where they can lock and store equipment.
- Snowbird will have a designated parking area where they can pick up and drop off students.
