**Principal's Items for Discussion**

Enrollment

Current enrollment is at 565. Josh explained FTE (Full Time Teachers) and how the FTE is done as well as other areas that we can request extra FTE from such as CTE, USTAR (Math grant), LAND Trust.

French Dual Immersion

French program has expanded. Cha-Philippe has gone from part time last year to full time this year and her classes are completely full. The question was raised as to whether we could hire an aide to help her. The answer is yes but the problem is how the aide will be paid. Monies have already been encumbered this year.

Grade Reconfiguration

Josh held an open house last week and will hold a second one on Wed. Oct. 12 from 6:00-7:00 pm. These open houses have been advertised in the Charger Chatter, Principal's message, and at Parent Teacher Conference. A few questions have come up as to how this will affect teachers. Chris Judd from HR will be coming to faculty meeting on October 18<sup>th</sup> to discuss options and answer any teacher questions. Josh will compile the notes from both open house meetings and share them at the next meeting.

Schedules

Josh has been working with John at Wasatch and they have come up with 3 schedules and pros and cons to each schedule and focusing what will be the most beneficial to students. Josh will meet with the district on Thursday to go over the schedules and get approval. Pros: lower class size, more elective options, flexibility, more Core centric. Cons: master schedule would be harder to do, more confusing at first, elimination of Charger Time, less time in elective classes.

Advertising Churchill

How do we get more students? Advertise more. Local papers, editorials etc. Get the word out. Katrina will work on something to put on the website.

**Next meeting Tuesday, November 1 at 1:30 pm**
