

[Churchill Junior High](#) and [Snowbird Sports Education Foundation](#) are excited to announce a partnership to promote the success of our athletes both in competitive winter sports and academics!

The elements of this program include:

- Students will have home release or electives for 6th and 7th periods during the second and third quarters so they can attend training.
- Students will have the option to have a directed studies class to help them stay on top of missing work due to competitions.
- Counselors will work with individual students to try to maximize their schedules for obtaining both core credit and still being able to get elective choices.
- Students will be recognized, as with Churchill's other athletes, for their success in competitions.
- Student athletes will be excused from class days for competitions, with parent excusal.
- Students will have a room where they can lock and store equipment.
- SBSEF athletes will utilize pre-scheduled Canyons Transportation shuttles for transportation to trainings from Churchill and Skyline.
