

SCC Agenda – Granite Connection HS

4/25/23

1. Final Landtrust Plan

- Granite Connection HS will raise its graduation rate by 3% during the 2023-24 school year.
- Teachers will attend the National Alternative Education Conference to better learn how to support students in an alternative education setting. This will cost approximately \$10,000.
- The school will renew its subscription of Edgenuity for the 23-24 school year. Edgenuity is a program used by schools to support students that need to earn credit recovery. The cost of a year subscription to the program is approximately \$9,500.
- The school is in need of updated some of the classroom technology that is used to support students in their school assignments (chromebooks, Viewsonic boards. This will cost approximately \$12,000.
