Parking Lot Safety Plan

Tracy has monitored double-parking and idling issues and has found things running more smoothly. No recent conflicts. Orange cones in the East lot have helped the school buses. Still want to work with county to limit parking on Washington Drive.

Matheson JH Chris proposed asking Dan Bartholoma for updates from Matheson SCC that might prepare 6th graders transitioning next year to Matheson.

Between meeting updates Chris proposed sending reminders of individual assignments and meeting minutes 2 weeks after each meeting. Others agreed. Chris will own this.

Next School Community Council meeting will be Wednesday, February 8 at 3:15pm in the Family Center, Room 19.
