

# **Copper Hills Elementary School Community Council Meeting**

*25 January 2024*

## **Electronic Device Policy**

Students in grades K-5 who bring a cellular phone / watch shall turn them on silence and place them in their backpacks. Students who are in 6<sup>th</sup> grade will be asked to silence their phones and turn them into their teacher.

Shannon shared information from PTA about a program called *Let's Get Real!* Costs \$100-\$450, depending on parts purchased. Could make it a White Ribbon Week. Seems like minimal preparation for teachers. A Dear Parent letter that could be sent home on Thursday note. Available in Spanish. Use Trust Lands funds to purchase for next year.

## **Data for Trust Lands Budget**

Discussed the effectiveness of Reading Lab. Looked at Acadience Reading data. Committee voiced desired to continue funding Reading Lab. Wondered if we can squeeze some of the upper grade Multi-Lingual Learners (MLs) or students below level into the Reading Lab. Could Amira help our MLs learn to speak into the computer for our WIDA test?

For our plan that is due in May, use the terms Well Below, Below, At and Well Above Level instead of colors to increase understanding for parents.

For our plan that is due in May, we need to look at updating the PLC information and substitutes running specialty programs.

Add Ms. Fairclough's videos and information in publicity section.

Add information to website with most recent plan under Community Council.

Committee members voiced support for the plan.

**Next Meeting:** February 22, 2024 @ 3:15
