

# **Copper Hills Elementary School Community Council Meeting**

*22 February 2024*

## **6<sup>th</sup> Grade Reconfiguration in Cyprus Network Open House**

Monday, February 26, 2024

6:00 PM

Brockbank Campus (2935 South 8560 West)

More information on Granite District website:

<https://www.graniteschools.org/blog/2024/01/19/grade-reconfiguration-open-houses/>

## **Literacy Night (Parent Night in Land Trust)**

March 7

Teachers paid a stipend. May need to scale back stipend because a lot of money has already been spent on materials.

## **Student Data**

For the Thursday Note, parents appreciated the PBIS information in this week's note. Could the same thing be done for DIBELS data?

More celebration of and more frequent celebrations of student growth to help students understand their levels and growth.

## **Outside Improvements**

Need more play equipment so students have something to do at recess to reduce fights and misbehaviors.

Tried to create a Ball Wall several years ago, but the District did not allow it because they do not have an approved vendor.

Trees for shade or shade sails to provide shade in heat of summer for students. Tracy will reach out to the District playground department. May need to work with PTA for funds.

Need information about PTA provided in Spanish to increase participation of Spanish-speaking parents.

Expand After School programs to help keep students supervised.

**Next Meeting:** March 28, 2024 @ 3:15

**Next Time:** Safe Walking Routes
