Meeting minutes approved via email for April.

Meeting officiated by Chair David Gudgell

#### **Updates from Principal Roylance:**

#### Meeting Agenda #1

- 1. Graduation plan for 2021: (Principal Roylance outline)
  - \* Graduation will be held in the Auditorium, 1:00 pm(We are very fortunate to be able to have the facility to do this).
    - 5 tickets per senior(@1800 with the capacity of 3100 so will be able to social distance)
    - Families sit together; two seats between families which means we need triple the ushers(normal amount is 7).
    - Mask worn by all in attendance.
    - Will have no weather issues since it is in doors.
    - Comfortable seating
    - Musical numbers and speakers easily heard.
    - Graduation pictures taken in auditorium following walk across the stage.
  - \* Graduation Night Party(Graduation Night)
    - All Star Bowling in West Valley
    - 10:00 pm- 3:00 am
    - Seniors bused to location
    - PTSA in charge-Still need parent chaperones on the buses.

- \*Clarke-Is there a possibility of streaming graduation so for the families that have at risk grandparents can watch from home? Principal Roylance-we should, I will have to check into that.
- \*\*\*We will have credit recovery- we do have the funds for it and we are looking at a new program this week called RFP. Hope to have more information next meeting.
- \*\*\*Jumpstart program for the summer is June 7th-July.
- 2. Theatre productions:
  - Spring-Tuck Everlasting-going on now. Thur.-Mon.(no Sunday)
  - Fall- Annie-Try-outs next Thursday.
- 3. Accreditation by Cognia will happen during 2021-22:
  - Happens every 5 years.
  - Looks at the vision statement and data for the school.
- 4. Vision Statement-Cottonwood leadership team presentation: Jamie Spencer & Camille Crawly
  - Jamie: Cottonwood does not have a mission statement. Every school needs a good vision and mission statement.
  - Camille: We sent out a message with a list to see what was important to students and parents as far as over all message:
    - \*Parents-accountability
    - \*Students-Confidence

We feel like you can't have one without the other so we wanted to combine them in the statement.

- Mission statement: Cultivate Excellence and Foster a Global Community.

## Meeting Agenda #2: Parent Suggestion-Students leaving School-Eliza:

- Students coming in then leaving school all day. Maybe we could have a member of the community council work with local businesses around the school to not serve the students durning school hours.

- Robyn- I see the owner of the business having trouble with that considering the amount of money he makes off the students.

Suggestion: The gas station owner calls the resource officer if there is a group over there after they make a purchase.

- Principal Roylance: The school in going back to 1 lunch next year so maybe that will help.

## Meeting Agenda #3: Feedback For Granite School Board:

- -Marci-Kids do not like distance learning.
- -David & Dave- Our kids love it.
- -Clarke-Board having an information presentation tonight possibly to late start on Fridays with rotating A & B days on Fridays.
  - \* Concerned with that due to teacher planning for every other week.
  - \*. Principal Roylance took a vote of hands from her staff and it was split down the middle of the late Friday starts.
  - \* Cathy McDonald(Math teacher)-There will be no GTI with this schedule! Principal Roylance-students with GTI will do distance learning on the Friday late start. Have to look at the teacher contacts?
  - \* David & Tracey- Early Out typically is a free fall so maybe if distance learning late check in might work better.
  - \* Dave Henderson-Like the streaming of everything for grandparents. Definitely a good thing.
  - \* Cathy McDonald-For Distance Learners, students feel like it is a loss for them in Math.
  - \* Nanette-Does it look like we will have distance learning-always now? Clarke- Can't say always but it will be somewhat of an option at least this coming year. Board will keep evaluating going forward.
  - \* Principal Roylance-There is a true Mental Health issue that we are going to have to address. Nanette-Does the school have a social worker or therapist available all during school? Principal Roylance- Yes we have a good social worker. Clarke-Hopefully this ESSR funding will help the next couple of years with the mental health. Robyn-I volunteer at the school and I felt prompted to write one of the students a really nice note not knowing anything going on in her life and she was really appreciative. It helps these kids to just feel someone really cares.
  - \* Clarke- Excited about the new superintendent.

- Nanette-We said Social Dilemma.
- David- Need to write something up to add to the news letter that goes out to everyone.

## Meeting Agenda #5: Peer to Peer Mentoring Update-Teresa Olsen

- -Up and Running.
- -Each mentor student has 4-5 mentee's.
- -Mentor instructed to do what the mentee wanted.
- -4 teachers overseeing the program.
- -Hope to have some results or assessment next meeting.

#### Meeting Agenda #6: Round Table

- -Robyn to Clarke-When students sign up for feee on-line, do we loss funding? Clarke-Funding follows the student.
- -Michelle(through David who is in attendance)-Falling trees & replanting. Does Cottonwood replant falling/loss trees? Ivory Homes has a big tree planting project. Clarke-I have some connections there and I will reach out to see if we can tap into the Holladay Project they do.
- -Principal Roylance-We didn't have a big turn out for the Covid Test Clinic for vaccinations. I do realize that the 12-15 yr olds are coming up so we didn't have that group to attend. Hopefully we will have a better turn out the next one that is held. Clarke- which they considered AP Testing to be fully vaccinated but missed the window on that. Robyn-opening for 12-15 yr olds to start getting testing?
