4 - Free Admission for youth basketball players and Cwood home games

It was CC understanding that games were already free for Cottonwood network kids with a parent. It was the staff's and teachers' understanding that it wasn't - Teachers and staff have found that they have had to do a lot of "babysitting" of teenage students who aren't with a parent and who are respectful. Staff will do a test run to see if allowing students with parents goes better. Principal will let us know how it goes via email.

5 - Golden Ticket used for Truancy and Tardy Violations

1 golden ticket will expunge 1 truancy

Amanda was concerned about charging student that are already low income and Principal Douglas explained that they can use a golden ticket to expunge a truancy or do community services so there are ways to get around paying.

Kelly motioned for approval

Greg seconded for approval
