

Calvary Baptist Church and Huntsman Cancer Institute Summer STEM Program

Join the Huntsman Cancer Institute this summer, June 15 – August 3rd at Calvary Baptist Church for a STEM program. High school students will explore career opportunities in Science, Technology, Engineering, Math, and Medicine every Saturday from 10 am–12 pm. Participants will receive a \$800 stipend, catered lunch, and connect with peers and future mentors.

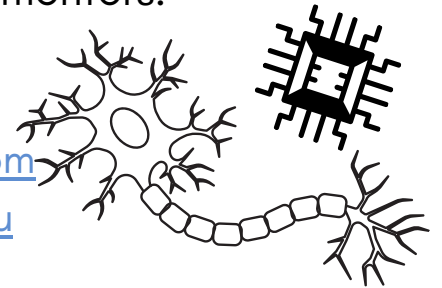

$$V = \frac{4}{3} \pi r^3$$
