

We are so happy to welcome you back for another wonderful school year! We invite you to attend our Back to School **MORNING** if you have a child in 1st-6th grade. (We are not holding a Back to School **Night** this year.)

During our Back to School **MORNING**, classroom teachers will be explaining a little about what you can expect in that grade and class. These sessions are presentations which are important to hear from beginning to end, so we recommend that you arrive on-time and remain in the classroom for the entire presentation. Our PTA will be by the main office with volunteer sign ups, school t-shirt order forms, PTA information, and more. Be sure to visit them while you are here.

The format of back to school MORNING will be as follows:

- 8:35 Bell will ring and your child(ren) will come in to the building. (Parents may not enter, yet.)
- 8:50 Front, main office, doors will open to parents to enter the building and *quietly* move through the building and wait outside your child’s classroom door for the teacher to invite you in. (Teachers will be transitioning students to the gym first thing in the morning to meet with the principal and hear about Crestview and our school-wide expectations.)
- 9:00-9:20 Session 1 (In Child’s Classroom)
- 9:20-9:25 Transition Time (Move quickly – this is not a time to hang around and visit with the teacher. If you need to speak with the teacher, please email to set up an appointment.)
- 9:25-9:45 Session 2 (In Child’s Classroom)
- 9:45-9:55 Parents please **quickly and quietly** exit the building so we can begin our first day of school with your children. Students will be in the gym at this time with our principal and other staff members. We cannot release students back to class until all parents have exited the building (or until they have gone through security clearance to remain, if necessary).

Please note that today is *not* the time to visit with the teacher *individually* regarding your child. Please email the teacher (email address are found on our website) to schedule a private time.
