Crestview Elementary Positive Behavior Support Systems

Positive System	Explanation	Student Beneficiary	Teacher Responsibility	Additional Staff Responsibility
200 Club	• Ticket System • Cougar paws given for following school rules. • Students staple tickets to giant bingo board. • Winners announced when one line of bingo squares is filled. • Winners receive tangible reinforcement. • Board is cleared and begins again.	• Individual level reward.	• Monitor student behavior. • Give tickets to students following school rules. • Send students to office when ticket is called after CBS news.	• Social Worker announces winners on CBS news. • School provides tangible reinforcement for winners when bingo is achieved.
Trip to the Principal	• Certificate given to students for going beyond what is normal or expected of them.	• Individual, small group, or whole class.	• Monitor students and award "Trip" certificate.	• Principal greets students and personally recognizes them for the exceptional thing(s) they have done to earn the award.

KUDO "Star" Students	• Each week teachers nominate one student from the grade level that deserves a KUDO (good news personal letter written home to parents about their child and the specific things that child has done that is wonderful) • Students are then the "Crestview Stars" and recognized on the CBS News, given a certificate, and get to place a star with their name on it on the bulletin board for the year.	• Individual	• Nominate students and state specifically why they earn the "Star" award.	• Principal writes a personal "Thank You" card to parents thanking them for their wonderful child and the wonderful things their child is doing!
