Items of Business:

1. Approval of last month's minutes-Motion by Amanda Alldredge, seconded by Becky Jensen
2. Spotlight- Community Council member Heather Miller was spotlighted
3. Watched 3 monthly training videos from Granite School District. Video topics: *Job Description*, *Creating a School Student Achievement Plan*, and *Additional Responsibilities*.
4. Reviewed budget –funds allotted, how funds used, funds that carried over. We are on target for our budget.
5. SNAP- *Student Neighborhood Access Program*
The council looked at the safe walking route map and discussed different areas. Crestview recently had the 'Snap, Rock, and Roll' group come and do a student assembly on safe ways to travel to and from school, and the importance of the SNAP map. Teri emailed Crestview parents a digital copy of our school SNAP map.
6. Council reviewed school data. Crestview is at an 'A' grade. Student growth in DIBELS came in at 80% last year. Attendance is slightly down and tardies are up.
7. Last year Crestview did a 'Teachers Eat Snails Reading Challenge.' The *Holliday Journal* did a front page story about student reading success leading to teachers eating snails. The new reading challenge is themed 'Read a Rainbow' and has colorful incentives to engage students. It is focused on students raising their own personal reading scores from MOY to EOY.
8. Teri will be sending an email to the council explaining MGP

Items for next meeting agenda: Teri will bring current Trust Lands Plan for members to look at and discuss.

The meeting ended at 4:30. Becky Jensen made a motion to close and Wendy Lovell seconded the motion.
