You do not want to miss out on this year’s musical. It will be epic!

**November 21, 22, 23, 25, 26**

Be sure to eat some spaghetti with syrup before you come to the show!

**Non Elf Things to Do**
Not going to this year’s musical. Maybe you can do this instead.
1. Watch boring reruns on TV
2. Vacuum your cat’s fur
3. Rake leaves
4. Cry because you are not at the musical
5. Eat leftover broccoli
6. Cut your own hair
7. Watch Elf the movie wishing you were watching the musical instead

At Cyprus, our dance policy is on the web and app, but here are a few adjustments to this year’s policy as we strive to create a safe and fun environment for our students.

- Each student attending the dance is required to purchase a ticket prior to attending the dance. **Tickets will no longer be sold at the dance.** They must have the ticket and ID to enter the dance.
- Students are not permitted to leave the dance and return. Doors may be opened under the supervision of a chaperone to promote air circulation.
- NO outside food, containers, drinks, bottles, cans are permitted.
- School rules apply at all dances. Students may be sent home for inappropriate behavior. Ticket price will NOT be refunded if a student is asked to leave the dance.
- If students are attending as a couple, one of the students must be a current Cyprus High School student. All students attending must be in good standing academically, behaviorally, and with attendance to attend.
- A guest from another school must complete a guest application form and return it to the Cyprus administration no later than one day prior to the dance. Tickets for guests cannot be purchased until the application is approved by a Cyprus administrator.
- Only students that are currently enrolled and attending high school will be allowed to attend a school dance. Former graduates, students dropped for any reason, and junior high school students are not eligible to attend a dance at Cyprus High School. There are no exceptions.
Parents,

We are asking that you discuss the life skill of being on time in life and how that principle should apply at school. While we understand that having multiple campuses can make it difficult to get to every class on time, we have also seen a big increase of students choosing to go considerably late, even though they could get to class on time. To help address this, we will begin the following:

1. The community council and school Positive Behavioral Interventions and Supports (PBIS) committee will develop a new school tardy policy.
2. Administrators will begin random sweeps in parts of both buildings beginning November 4th. We will evaluate the time and distance required for students caught in the sweeps. Those making little effort to get to class on time will receive appropriate consequences which may include:
   a. Lunch detention
   b. Community Service after school
   c. Parent conference
   d. Other

The intent of addressing a growing problem at Cyprus is not meant to be punitive. It is meant to reinforce critical, basic life skills for success. Please help us to get your students to class on time.

School Open Enrollment

Dear Parent/Guardian,

Granite School District provides school choice enrollment in all schools where space is available.
Parents are responsible for transportation when exercising school choice. This letter explains Granite School District’s Open Enrollment Guidelines: Open Enrollment is necessary for students to attend a school other than their home boundary school.

There are two open enrollment periods: Early Open Enrollment and Late Open Enrollment. The Early Open Enrollment period is the recommended time to enroll for the next school year. Late Open Enrollment period is for the current year and may be applied for at any time. Early open enrollment period for the 2020/2021 school year begins on Monday, December 2, 2019 and ends on Friday, February 21, 2020. Open Enrollment Applications are available at all schools, and are processed in the order received. Students residing within Granite School District boundaries are given priority. Enrollment depends on space available in the requested grade, class, or program. Open Enrollment requests do not require a release from the student’s home school or district.

If your student is accepted for Open Enrollment, annual reapplication is not required—as long as the student remains in the same school, and space is available. When a student transitions from elementary school to junior high, or from junior high to high school, there is no automatic feeder system for Open Enrollment; therefore, reapplication is necessary to attend a school outside of the student’s home boundary school.

For more detailed information, refer to the back of the Open Enrollment Application or Granite School District’s website: www.graniteschools.org; select Departments>Prevention and Student Placement>Open Enrollment Guidelines.

Estimado Padre/Guardián,

El Distrito Escolar de Granite provee inscripción de escoger escuelas cuales tienen espacio disponible. Esta carta explica las Guías de Inscripción Abierta del Distrito Escolar de Granite; la Inscripción Abierta es necesario para permitir los estudiantes que asistan una escuela diferente que su escuela de la frontera del hogar.

Hay dos periodos de Inscripción Abierta: Temprano Inscripción Abierta y Tarde Inscripción Abierta. El periodo de Temprano inscripción Abierta es el tiempo recomendado para inscribir por el próximo año. El periodo de Tarde Inscripción Abierta es por el año actual y se puede aplicar en cualquier tiempo. El periodo de Temprano Inscripción Abierta por el año escolar de 2020/2021 comienza en lunes, el 2º de diciembre, 2019 y termina en viernes, el 21 de febrero, 2020. Aplicaciones para la inscripción Abierta están disponibles en todas las escuelas, y están procesados en la orden recibida. Les dan prioridad a los estudiantes viviendo entre las fronteras del Distrito Escolar de Granite. La inscripción depende en el espacio disponible en el grado, la clase, o el programa pedido. Los pedidos por inscripción Abierta no se requieren un permiso de la escuela del hogar o del distrito del estudiante.

Si su estudiante está aceptado por Inscripción Abierta, no se requiere la reaplicación anual—con tal de que el estudiante permanezca en la misma escuela, y el espacio está disponible. Cuando un estudiante cambia de la escuela primaria a la escuela secundaria, o de la escuela secundaria a la escuela preparatoria, no hay un sistema automático determinado por la Inscripción Abierta; por lo tanto, reaplicación es necesario para asistir a un escuela afuera de la frontera dela escuela del hogar del estudiante.

Por más información detallada, refiere al lado atrás de la Aplicación de inscripción Abierta o el sitio de la red del Distrito Escolar de Granite: www.graniteschools.org; escoge Departments>Prevention and Student Placement>Open Enrollment Guidelines.
